STATUS LETTER

Commissioner for Patents
P.O. BOX 1450
Alexandria, VA 22313-1450

Dear Sir:

On December 8th, 2003, you called me to ask if the Office Action was responded to. After checking our files it was noted that we had never received an Office Action from the patent office to respond to. You stated that the Office Action was mailed to James Cwayna at 8905 Wood Cliff Road, Bloomington, Minnesota. Mr. Cwayna was the former attorney of record in this case, however, he had a severe stroke and is no longer practicing. A substitute Power of Attorney and Change of Correspondence Address listing Nikolai & Mersereau as the attorneys of record is on file in this case.

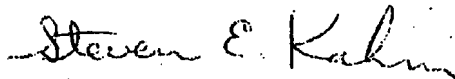

In our December 8th conversation, you said that you would look into the matter of sending the last Office Action to the wrong address. We have to date not received an Office Action. The PAIR system currently lists the application as abandoned for failure to respond to an Office Action. As noted above, the Office Action was never received and is still expected. Please send the Office Action to:

Steven E. Kahm, Esq.
Nikolai & Mersereau, P.A.
900 Second Avenue South
Suite 820 International Centre
Minneapolis, Minnesota 55402

Since the Patent Office has abandoned the patent application knowing that it had sent the Office Action to the wrong address we expect the Patent Office to withdraw the abandonment and send the Office Action as promised.

Sincerely,

NIKOLAI & MERSEREAU, P.A.

Steven E. Kahm
